WASTED A FORTUNE ON SKIN TROUBLE

"I began to have an itching over my whole body about seven years ago and this settled in my limb, from the knee to the toes. I went to see a great many physicians, a matter which cost me a fortune, and after I noticed that I did not get any relief that way, I went for three years to the hospital. But they were unable to help me there. I used all the medicines that I could see but became worse and worse. I had an inflammation which made me almost crazy with pain. I did not know what to do. I was so sick and had become so nervous that I positively lost all hope. "Finally I decided to use the Cuticura Remedies and, after having used two sets of Cuticura Soap, Ointment and Pills, the entire inflammation had gone. I was completely cured. I should be only too glad if people with a similar disease would come to me and find out the truth. I would only recommend Cuticura. Mrs. Bertha Sachs, 1621 Second Ave., New York, N.
